### Academic & Formal Education

**MA Cultural Productions** September 2010 – October 2012  
Culture in the crossroads of economy and politics

Master-Thesis: Challenges of communities in rural areas and social media as a means to counter them?

**University of applied science Kufstein** September 2007 – September 2010  
sport- culture and event management

Bachelorthesis II (2010): Cultural Area Pinzgau

This paper deals with culture in the region of Pinzgau in a very broad definition: from tradition to high culture from leisure time activities to creative industries. Different perspectives of multiple publics like artists, economy, politics or audience like youth are taken into consideration.

### Professional Experience

***External Lecturer at the University of applied Science Kufstein (AUSTRIA) April 2017 – current***

Holding lectures & supervising MA-theses on the topic of sustainability in Sports, Culture and Event Management

April 2017 – April 2021: Lectures on Social Business and alternative economic models

***Lecturer on economics in gastrosphy at Studienzentrum Saalfelden Feb 2022 - June 2023***

Lecturer and supervisor for MA-thesis on the topic of sustainability and regeneration in context of gastrosphy (philosophy of agriculture, food science, hospitality and the sociology related to those topics)

***Founder of Monon e.U. February 2011 – current***

Research, consultation and training on regenerative business models, strategies for sustainable development, systemic thinking and new economic models.

#### **Flagship initiative:**

Since January 2025, **Regeneration Pioneers** has been launched as a key project under Monon e.U. It supports social entrepreneurs, NGOs and changemakers in designing strategies for deep transformation – combining systemic thinking, practical tools and regenerative approaches.

Recent projects:

#### **Accompanying research ZukunftJetztModellCamp:**

During the 6-day long camp, participants experimented with an alternative monetary system. I accompanied the project conducting both quantitative and qualitative research among the 55 participants

### ***Senior Officer at the Austrian Honorary Consulate September 2015 – August 2017***

Responsible for the consular activities of Austrians residing in Nepal. (part time)
